DATE MAILED: 06/28/2004

Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

1. The reply filed on April 1, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): (a) the amendments to the claims filed on April 1, 2004 add new claims 20 through 24 without applicant *correctly* indicating for the record as required which of these newly added claims are readable upon the elected species as illustrated in Figures 1 through 4 [applicant summarily notes that *all* of the newly added claims are readable on the elected invention, but that is not a correct statement, since, for example only, claim 22 recites a Venturi device *not* found in the embodiment of the elected species]. See MPEP 809.02(a) and the original Election/Restriction requirement [Paper No. 7]. Also see 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR

1.136(a).
